Working Girl White

Washington White Wine

Working Girl Wines:

Created by women... In support of women!

Working Girl White is a sassy little number... helping ease the crankiness and stress of a long work day while the smoothness of **Go Girl Red** can turn a gunny sack into velvet. **Rosé the Riveter...** well, she just rocks. And **Handyman Red...** it's dedicated to all those men in our lives we simply couldn't do without.

This is an off-dry and crisp wine, offering aromas of apples, tropical fruits & flavors of pears, sweet herbs and honey.
